## NOVEMBER'S HAPPENINGS

November 2020

Volume 41, Issue 3

### Message from our presidents

When we were first 'shut down' we assumed we'd be back meeting in the church by the time schools opened, yet here we are in November still facing uncertain times. The virus is spreading and no vaccine will be available soon, so we wait. I am not a patient 'waiter' so this is hard on me. I like mingling with friends. I miss my family scattered across the country, but the health of all of us is more important, so we wait. Waiting is easier if you have a finish point, which unfortunately we don't have. The guild is operating remotely at our homes. Just For You quilts are being made, breast cancer pillows are sewn, stuffed and delivered, and placemats for Gwinnett Senior Services are in production. The block of the month project is being posted and folks are sharing their show and tell on Face Book. The Cannon Cause is being collected monthly (with a little time for socializing during the drop offs) This is where we stand at the moment. Believe me, if we had better news we'd be spreading it excitedly.

In the mean time, we can give thanks for little joys in our lives such as being able to keep in touch electronically and through drop-offs at the church and fun memories about moments shared. We are thankful for all of you and this is the month of Thanksgiving. Therefore, you are wished A Happy Thanksgiving!

Stay safe & germ free!

### Just For You

This is a picture of all the donated fabric. The bins in the center I have not yet gone through. The 9-10 office size boxes are filled with kits, mostly panel style. It does no child any good to have them sitting in my house. I have already pulled the 6 plus kits I will make "someday!" I need space in this room. It will no longer fit in the closet and I will have (I hope) guests coming for the holidays.

HELP!! - - - It would be wonderful if I could have 9-10 persons to each take ONE box of kits. I am not asking you to make the quilts (although you could), just store one box in your home, maybe take a few you would like to do, bring a few to guild when we start up again.

## From our Vice-president

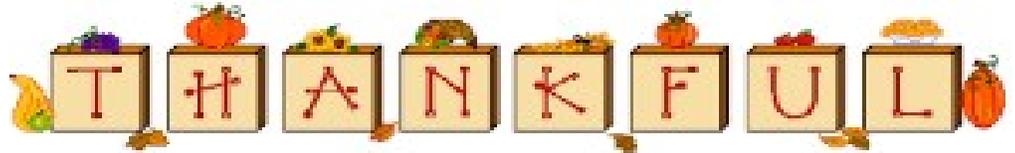

It was so much fun to see so many people at our breast cancer pillow collection in October. Some cruised through to drop their pillows off and say hi. Others stayed and chatted for awhile. The weather was beautiful and we collected 3 jam packed cars full! At the end of the day, we had more than 400 pillows which were split between Gwinnett Breast Cancer Center and Eastside Breast Cancer Center. Thank you GQG!

Our placemat collection will be November 17, from 10 -11 am, again in the parking lot at the back door just past the playground. The placemats are delivered every year to the Gwinnett Senior Services Meals on Wheels program. They are definitely in need this year, so I hope you're still feeling charitable. The placemats can be any theme. They don't have to be just Christmas, although those are most welcome also.

Our Cannon Cause for November is cold weather items, i.e., hats, mittens, gloves, scarves. Let's hear those knitting needles clinking!!! We sure hope to see you on the 17th.

December 15 will be our next collection day. Same place, same time. Stay tuned! There will be more information to come.

Vice President
