September's Happenings

September 2021

Volume 42, Issue 1

PROGRAM for September:

For our first ZOOM meeting in September, our program will be SHOW & TELL. I know that all of you have been busy sewing and we've all had lots of time to create! To participate, please email pictures of your quilts/quilted projects to me, at ckreson@gmail.com. In the subject line, please put Sept. Show & Tell so I don't miss anyone. **Send the pictures no later than September 17.** I will create a presentation with all the pictures. During the meeting we will be able to see the pictures on a full screen and each person can talk about their quilt or quilted project. For this meeting there is no limit on the number of projects you can show, but please remember there will be additional meetings to show your work.

October Meeting

For our October Zoom meeting, we will have a presentation by **Tara Miller**, of The Quilt District. Tara will present the program "**Graphic Quilts of the 20th Century**".

Tara is a designer, maker, enthusiast, historian, and apprentice appraiser. Quilts are her passion. When she's not making or designing quilts, she's studying them or studying about them.

Her work has hung in both the Benartex and the Hobbs booths at the 2018 Houston Quilt Market, in the 2019 Georgia Celebrates Quilts show, and in the 2019 Smoky Mountain Quilt show.

She's a member of the Modern Quilt Guild, the Atlanta Modern Quilt Guild, and the East Cobb Quilters' Guild. She founded the Atlanta Quilt Study Group in 2019, and hosted their first annual Atlanta Quilt Study Symposium in September 2019. She is also an active member of the American Quilt Study Group.

Message from our vice president

Thank you for answering the call for more breast cancer pillows. You've done a great job and hopefully you'll continue to make them. There seems to be an increased need for them, as they are given out very quickly. I'll make as many deliveries as I need to for the next couple of weeks, and then we'll have our regular bc pillows drive in October. For now, you can take your completed pillows to Kay Rosea , Gretchen Cuthbert, Cheryl Johnson, and Andrea Parks. We are all in the directory.

In addition to collecting all the pillows we can right now, we will have our regular collection in **October for Breast Cancer Awareness Month**. Time and place for collection will be posted in the next newsletter and on Facebook.

We'll have our regular collection for **placemats in November**. If you'd like to make coasters to match your placemats, that would be wonderful! Time and place for this collection will also be posted next month and on Facebook.

In case you weren't aware, Cannon United Methodist Church always has a collection bin inside the main entrance door, where the receptionist sits. You can drop your donations any time. There is always a need. The Cannon Causes for the rest of the year are:

September - dry foods

October - baby care items

November - cold weather items, (hats, mittens, scarves)

December - Feed My Lambs

Mommy Pads

I would like to thank everyone for continuing to donate mommy squares for the Children's Hospital. I took over 500 more this past week and they were so happy to get them. Since we haven't gotten to meet, we still have donated 2,343. That is terrific and well appreciated by the hospitals. I have everyone's ribbons for you when we get back together. Keep sewing all of our charity quilts, placemats, mug rugs and mommy squares.

Thanks again,

Barbara Holbrook
